

MOST PRECIOUS BLOOD

Part I

Cenacle 5/30/19

- Chapel of Conchita's Tomb during the Mass of the LC covenant, 5/3/19:

The ways of God are never the ways of the world. The world will be saved through the Triumph of My Cross. Bring Me victim souls, for many continue to go astray from this one calling I desire. Remain faithful, so that the works of the Cross can be completed with My remnant of victim souls. Tell My little mustard seed that heaven rejoices today with your fiat as God's hidden martyrs of the end times. (Elena, Lisa, Denise and Micah made their LC covenant) I seal you today with My Blood and the blood of Conchita united as ONE with My Mother and all God's martyrs of love.

- **Union of Blood so that it is no longer our blood but Christ's Blood in us**
 - Letter from Manuel to his mother Conchita upon becoming a Jesuit: (*Conchita: A Mother's Spiritual Diary*)

"My dear little mama, you told me: 'Remember, my son, when you hold in your hands the Holy Host, you will not say: 'Behold the Body of Jesus and Behold His Blood', but you will say: '**This is my Body, This is my Blood,**' that is, there must be worked in you a total transformation, you must lose yourself in Him, to be "another Jesus."

 - Conchita writes about her dying daughter, Teresa, who was a religious: (*Conchita: A Mother's Spiritual Diary, p.77*)

"As for me, the main thing was that she receive Jesus! How fervently I asked this. She recognized me and said to me. 'My dear little mama!' Poor child! My soul burst, my heart was shattered on seeing her suffer so much! She repeated to Jesus: '**Behold my body...**' '**Behold my blood.**' I looked at her and I wept, offering her to the eternal Father, begging him to take her if that was His will"

These words from Conchita reveal how she lives the mystical incarnation in her life. As the Father gives the world His only begotten Son to be sacrificed, we see the same Spirit in Conchita that moves her to offer her daughter through Christ, with Christ and in Christ to the Father. Here we come to understand the motto of Love Crucified: "Suffer all with me, no longer two but one in My sacrifice of love."

 - Jesus told me. 'Just as I am your hope, I am equally your way. He who follows Me never walks in darkness, but the way I represent is the Cross. He who wishes to come after Me must deny himself, bear his cross and follow Me setting his feet on My bloodstained tracks...' He assured me that the **Cross is the dwelling place of perfection, that it contains all the mysteries, gifts and fruits of the Spirit**" (*Conchita: A Mother's Spiritual Diary, p.116*)

 - "Such is the end and essence of My Works of the Cross; a likeness of victims united to the great Victim, Myself, all pure, without the leaven of concupiscence. They will be

marked by the reflection of My Passion, in order that there rise heavenward a unanimous cry: 'This is My Body, This is My Blood.' (Conchita...p.122)

- The Simple Path to Union with God p.144, Third Secret of Fatima:
Beneath the arms of the cross angels gather up the blood of the martyrs, and with it, they give life to the souls making their way to God. Here, the **blood of Christ and the blood of the martyrs are considered as one: the blood of the martyrs runs down from the arms of the cross.** The martyrs die in communion with the Passion of Christ, and their death becomes one with his...**Their life has itself become a Eucharist, part of the mystery of the grain of wheat, which in dying yields abundant fruit.**
- **The Precious Blood and the Holy Spirit**
 - The Theology of the Precious Blood by Edwin Kaiser

Though the Blessed Humanity of Christ, body, blood, and soul are the work of all three divine persons, we ascribe the fruitfulness of the Redemption to the Holy Spirit. Wherefore we look upon Him as **most intimately united with the Blood of Redemption, vivifying it, pouring it forth in Sacrifice, giving it to the souls of men...** The theologian Scheeben writes: "By means of this Blood the Holy Spirit vivified the Blessed Humanity and adorned it with every grace and favor. He filled the Blood with His own loveableness, for He is the Spirit of love, the pledge of love between Father and Son, making it sweet with fragrance as it ascended to God in sacrifice. The Holy Spirit led the Blessed Victim to the altar of sacrifice...
The shedding of Blood becomes the sacrament (or visible sign) of the giving of the Holy Ghost. The sacraments are visible signs of grace, but the shedding of the Blood of the God-Man signifies and effects the giving to men of the Holy Spirit Himself... the blood is a purifying, warming, vivifying force. As such it is a picture or sign of the working of the Holy Spirit. Wherefore we may call the **shedding of the Blood the Sacrament of the Holy Spirit**, signifying, representing, pledging, effecting the Spirit of the Father and the Son, the Spirit of Love given to men."
 - **127. Each Victim Soul Intensifies the Fire of Love** —Diary of a MOC. p.340
I felt Jesus on the Cross. The flesh on His chest, like a curtain, seemed to open and I could see His Heart as fire. This vision of His Heart as fire in the center of His chest was all in a circle; I felt as the living Eucharist. My Lord had me understand that each of His victim souls is in that fire. Each victim soul intensified the fire of love in Jesus' Heart. Then the fire with all the victim souls consumed the entire Body of Jesus; and the Holy Spirit, as a massive dove, as I saw Him in 2008, flew out from the Cross upon the world. He was covering the earth with a mantle of Jesus' Precious Blood. All of us, His victim souls, were one with the Holy Spirit participating in the fulfillment of the salvation of the world.

- The Cross of LC

After I received Holy Communion, Jesus explained in my soul the words of the Our Father that I pray daily, "Thy Kingdom come on Earth as it is in Heaven." The Father desires for us to possess the Kingdom of Heaven within us here on earth. The Father desires to deposit the treasures of Heaven in our hearts... (2/25/12)

I asked Jesus, "How can this be because the souls in heaven are completely pure, but I am always aware of my sins and impurity?"

Jesus brought my understanding to the words from Psalm 51:
 Have mercy on me, O God,
 according to your steadfast love;
 according to your abundant mercy
 blot out my transgressions.
 Wash me thoroughly from my iniquity,
 and cleanse me from my sin.

Jesus explained that when a soul unites herself to The Crucified, ONE with His sacrifice of love, the Father blots out our iniquities, our transgressions. As He looks at us, He only sees the perfect sacrifice of His beloved Son...

When a soul enters into the Sacred Heart of Jesus he is consumed in the Fire of the Holy Spirit. It is here, in the Heart, that we are "no longer two but ONE". The Holy Spirit asked me, "Do you not believe JN 17?" "When you possess the Son, you possess the Father because they are ONE with Me. (Your Triune God is mystically incarnated in you) ... You possess heaven on earth in your being. This is the Kingdom of Heaven on earth."

- Conchita: A Mother's Spiritual Diary, p. 252
 The Holy Spirit cannot descend to the world save by Christ's Cross since both missions, that of the Son and that of the Spirit, are inseparable.

"The Holy Spirit will reign the day when My sacrifice of suffering will also reign: The Cross in hearts. In so far as the Cross will not reign in souls, the Holy Spirit, He too will not reign."

- Covenant:
Words given during Cenacle to family of LC, 08/09/2012

God the Father: "I the God of Heaven and Earth have received your covenant. I have placed you in the palm of My hand to guide you, to protect you, to bless you, to anoint you. I seal you on your foreheads with the sign of the cross with the precious Blood of My only begotten Son. I am forming you to fight the decisive battle at hand. Do not be afraid for I, the God of Heaven and Earth, am with you.

You must become ONE with the sacrifice of My Beloved Son so that you can possess the power of God to pierce the dragon and conquer him.

The world does not understand, but you understand, for you have listened to my Son. Be at peace My Family, know that I am with you. I hold you in the palm of My hand and I bless you."
